Men's Pull On Safety Boots

Ariat 10024968 $230.00

These Ariat's are waterproof lined with a waterproof full-grain leather. They feature a carbon toe that is non-metallic for electronic security working conditions. The Duratread outsole is oil/slip resisting, with a shock-absorbing EVA midsole with ESS protection and support. Inside you can find a rebound foam insole; ATS MAX comfort technology. The 11 inch shaft includes the patented U-Turn entry system making pulling on your boot easier. ASTM F3445-21

Justin CR4019 $215

These waterproof, composite toe work boots are built to handle long days in wet, demanding conditions. Including a slip/oil resistant outsole. Durable materials help block moisture while a supportive fit delivers stability and comfort throughout the workday. EH rated. Designed for dependable performance, they keep you moving no matter the conditions.

ASTM F3445-21

Double H PH5010 $182.00

The Double-H Phantom Rider has an 11" Brown Barnyard Acid Resistant Leather Upper. Includes a composite safety toe. Heavy Duty Pullholes to make your day easier. Mesh Lining with Waterproof Membrane. Electrical Hazard Rated 100% Non-Metallic. Goodyear Welt Construction with a Rubber Heel. EVA Midsole for comfort and Oil & Slip Resisting I.C.E.TM Equipped Outsole.

ASTM F3445-21

Ariat 10024992 $180

This Ariat features a Steel Toe that meets ASTM F24 C/75 I/75 Standards. Inside is a 4LR™ lightweight stabilizing shank for support. The 10 inch shaft is made with waterproof PRO full-grain leather that helps keep your feet dry. A durable oil- and slip-resistant Duratread™ outsole that includes a 90° heel. EH rated.

ASTM F3445-21

Georgia GB00752 $200

This new Georgia Pull On includes an Advanced Memory Polyurethane insole for comfort while meeting its EH requirements. Inside is also a carbon safety toe in the front and a heel-stabilizing counter lock in the back. You can find Georgia's expansion fit seam for ease. It features a heat, chemical, abrasion, and slip-resisting Carbo-Tec Rubber outsole. ASTM F3445-21

Ariat 10036002 $230

With the American Flag that everyone wants to rep, you can also find a light carbon safety toe. Waterproof lining to keep your feet dry. This boot is EH rated and includes an oil and slip resistant outsole with cushioning for shock absorption. Don't forget the beloved patented U-Turn entry system that allows easier entry for those with high arches. ASTM F3445-21

Durango DDB0176 $164

This waterproof square toe Durango includes a fiberglass shank. Full-grain leather with faux exotic elephant. Dual-Density Midsole with firmer shock absorbing heel for added stability. High abrasion heel counter plus rubber outsole with high abrasion rubber outer lugs for high-impact durability. Plus increased slip, oil and heat resistance. ASTM F3445-21

Thorogood 804-4343 $155

Full-grain leather Composite safety toe Composite shank Rubber/EVA outsole Waterproof Removable single-density polyurethane footbed Goodyear welt construction ASTM F3445-21

Twisted-X MUNW005 $207

Timeless Western style, work ready protection, and incredible lightweight comfort all culminate in The Men's 11" UltraLite X™ Work Boot. This waterproof pull-on boot features a nano composite safety toe and square toe design for classic appeal, while features like EH protection and a slip-resistant rubber outsole provide essential job site safety on dry, wet, and oily surfaces. Twisted X® UltraLite X™ Work Boots provide all the protection, comfort, and durability you need without the weight. ASTM F3445-21

Carolina CA8541 $187
